Bill and Marnie Brehm

Full of photographs of Canada, the purpose of this book is to provide the owner with a permanent hard copy storage place for important information that cannot be lost due to a crashing hard drive, stolen wallet, or faulty memory. Saving vital information can save valuable time and provide peace of mind in stressful times. Examples of information you should save include:

- Bank or investment account numbers
- Credit Card Numbers
- Social Security or Social Insurance number
- Medicare or Health Service number
- Driver's License number
- Computer Passwords
- PIN numbers
- Email addresses
- Birthdays and anniversaries
- Important dates and deadlines
- Addresses: family, friends, attorney, accountant, etc.
- Telephone numbers
- Website sign-in names
- Emergency instructions
- Location of will or power-of-attorney, executor
- Serial numbers of personal property
- Other information you can't afford to forget
